Colby Lodge

We wish to extend to guests a warm Pembrokeshire welcome to our luxury Victorian farmhouse on our 200 acre working dairy farm that is run by Philip, Sheila and son Roger.

The farm is approached by a private tarmac drive in picturesque unspoilt countryside, nestled in the heart of South Pembrokeshire – just 2 miles east of Pembroke.

The large farmhouse has recently been lovingly restored to provide high standards of comfort for guests looking for something special.

We are delighted to have been awarded 5 Star Farm Accommodation by Visit Wales.
